

Technical drawing of a wooden formwork assembly for a wall. The drawing shows a large rectangular formwork panel with a central opening. The opening is defined by a thick, irregularly shaped frame. Inside this frame, there are two smaller, identical, irregularly shaped pieces, each labeled "F11\_Former\_D\_Brace\_Poplar\_4mm[2]". The main frame is labeled "F10\_Former\_D\_Poplar\_4mm". The drawing is oriented vertically. The top and bottom edges of the main frame have several small rectangular protrusions. The left and right edges have several small rectangular protrusions. The drawing is surrounded by a grid with dimensions 1 to 12 on both the horizontal and vertical axes. A title block is located at the bottom left of the drawing area.
